## Supporting our Christmas Program

Each year, thanks to the generous donations from our community, our Christmas program is able to provide each of our families in care with the goods they need to experience the magic of Christmas.

Due to restrictions caused by COVID-19, we are diligently working to ensure infection control is a priority and are unable to create hampers of goods for those in care.

Alternatively, we are asking for monetary donations that will directly contribute to the purchase of gift cards for those in need.

If you would like to support, please select one of the following options and contact **Lisa Hostgin**.
